Sir:

In response to the Office Action mailed March 5, 2003, (Paper No. 35),  
Applicants submit the following amendments and remarks.

It is not believed that extensions of time or fees for net addition of claims are required beyond those that may otherwise be provided for in the documents accompanying this paper. Due to the cancellation of claims 1-34 totaling 8 independent claims and 177 dependent claims (including their multiple dependencies), it is believed that no additional claim fees are due in conjunction with the addition of claims 35-101. However, if additional extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required therefor (including fees for net addition of claims) are hereby authorized to be charged to our Deposit Account Number 50-2387, referencing docket number 18528.032. Applicants likewise authorize a charge to Deposit Account Number 50-2387 for any other fees related to the present application that are not otherwise provided for in the accompanying documents.
